Hi to all Junior Club members

Yeh! Its summer time and I would like to hear all about the fun you have been having with your ponies and pets

We hope you enjoy your gift from Santa and the WP&CS. School holidays are here now so this will give you plenty of spare time to ride your ponies. A new Junior club card has been sent to you for the 2010—2011 year.

Ho Ho Ho have a Merry Christmas. Don't forget to get your pony a healthy carrot for Christmas

Aussie Jingle Bells

Dashing through the bush
In a rusty Holden Ute
Kicking up the dust
Esky in the boot
Kelpie by my side
Singing Christmas songs
It's summer time and I am in
My singlet, shorts & thongs

CHORUS:
OH, JINGLE BELLS, JINGLE BELLS
JINGLE ALL THE WAY
CHRISTMAS IN AUSTRALIA
ON A SCORCHING SUM-

MER'S DAY
JINGLE BELLS, JINGLE BELLS
CHRISTMAS TIME IS BEAUT
OH WHAT FUN IT IS TO RIDE
IN A RUSTY HOLDEN UTE

Engine's getting hot
Dodge the kangaroos
Swaggy climbs aboard
He is welcome too
All the family is there
Sitting by the pool
Christmas day, the Aussie

way
By the barbecue!

CHORUS

Come the afternoon
Grandpa has a doze
The kids and uncle Bruce
Are swimming in their clothes
The time comes round to go
We take a family snap
Then pack the car and all
shoot through
Before the washing up

2. The first people to use horses for transport was the Native Africans.
3. The name of a prehistoric animal that evolved into a horse was the Eohippus!

WHAT A LAUGH !!
Send us your Joke.

Did You Know...

Most foals are born at night under cover of darkness and away from prying eyes and possible danger.

The best time of year for a foal to be born is in the spring, when the weather is at its kindest and the lush grass is at its best for the mares.

A newborn foal can stand up within an hour of being born and can keep up with the rest of the herd within 24 hours!

When first born, foals cannot eat

grass because their legs are too long to reach it!

In cool weather a healthy horse can drink about 40 litres per day and during hot weather they can drink 80 litres per day or more depending on the Heat and Humidity.

Have you ever wondered why foals all seem to be born around the same time?

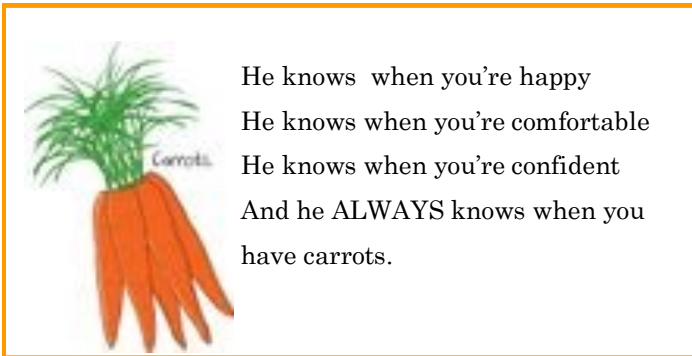

Everyone knows that baby horses are called foals.

Boy foals are called colts, while girl foals are called fillies.

Young horses are called colts and fillies up until the age of 3.

Yearlings are colts or fillies who are a year old.

When a horse is born, it's legs are almost their full adult length! - giving them that extremely cute "long-legged look" we all love so much.

He knows when you're happy
 He knows when you're comfortable
 He knows when you're confident
 And he ALWAYS knows when you
 have carrots.

Special Note :- Horses Should not be fed peanuts, because they cannot digest them as it clogs their intestines. According to some vets peanut butter is ok, but if in doubt best not to feed it at all.

Most horses like Licorice

Horse Treat Recipes

Your horse will love the sweet crunchiness of these cookies.

They keep well in an air-tight container. Never feed too many treats too often.

Prep Time: 15 minutes

Cook Time: 10 minutes

Ingredients:

- 1 ½ cup all purpose flour
- 1 cup bran
- 1 cup molasses
- 1 cup grated carrot or apple

Preparation:

Preheat oven to 375F
Oil two cookie sheets
Put aside a small bowl of white sugar and a drinking glass with a flat bottom.

In a large bowl mix all the ingredients thoroughly. The mixture shouldn't be too wet, and should stick together. Add more flour to make the mixture firmer and hold together if necessary. Drop by teaspoonfuls, about 1 ½ inches apart on a greased cookie sheet. Grease the bottom of the glass, dip it in the sugar, and stamp the cookies to flatten them slightly. Bake for about 10 minutes. This makes about 25 cookies, depending on the size. Store in an air-tight container or bag.

We would love to hear
from you

Send in your photos or drawings of you and your pets and family. Also a little story would be really good to so we can include it in Hoof Beats.
